

GPC Learning Exchange Conference – 2016
GPC IRB Meeting Notes

Thursday Session 1 (See slide deck)

1. Introductions – All institutions represented
2. Review of agenda/objectives for each session
3. Review of 2015 LEC (see slides)
 - “GPC lacks a coordinating center” for multi-center trials
 - GPC doesn’t have an air traffic controller for research
 - Ex: How navigate putting an IRB application together?
4. Standard Operating Procedure (SOP) Review – updated to recognize existence of Reliance Facilitator position
 - Draft updates were distributed in advance
 - No suggested revisions from what was distributed
5. Smart IRB – There is a platform that will be available, our GPC SOPs and tools should be aligned.
 - Institutional profiles will be in place
 - Platform still in development
 - Lead study team will enter initial request, then it will be an IRB to IRB request
 - Will take several studies to work through
6. Continuing review discussion – how are sites handling?
